ENTERPRISE ZONES PROGRAM

3-Year Extension Application Form

for Agricultural Production and Manufacturing Companies

This application has three parts:

SECTION I, BUSINESS TYPE – This section to be used to declare the type of business that is present in the enterprise zone.

SECTION II, BACKGROUND DATA – This section to be used to ensure that your information is up-to-date and to verify that your business is eligible for this extension.

SECTION III, DECLARATION – This section must be signed by a person authorized to act on behalf of the business. An authorized person would be a sole proprietor, a partner, or an officer of a corporation.

PLEASE READ THE FOLLOWING:

Businesses engaged in agricultural production or processing and/or manufacturing of tangible personal property that have completed their initial 7-years in the EZ Program are eligible to extend their EZ participation for an additional three years, provided that the Enterprise Zone where the business is located is still active. The three-year extension means 36 consecutive months. Eligibility for EZ tax and other benefits will begin when this application is approved. However, approval of this application does not guarantee that your business will qualify for all EZ benefits every year. At the end of each tax year, an End-Of-Year report form (EZ-2 Form) is required to be submitted to determine if your business has satisfied the annual gross receipts and/or hiring requirements.

The State benefits upon annual certification include:

1. 100% exemption from General Excise Tax on eligible revenues (exception-GMO Ag retail).
2. A 20% State non-refundable income tax credit for each of the three years.
3. An additional State non-refundable income tax credit equal to 20% of Unemployment Insurance Premiums for each of the three years.
